TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the sixth day of March next, at eight of the clock in the forenoon (Polls close at 6:00 P.M.), to ballot for Town Officers and other questions required by law to be decided by ballot. Pursuant to the authority of RSA 39:2-a and the vote of the Town on March 10, 1970, all business other than ballot questions will be recessed until 7:00 P.M. Tuesday, March 13, 1973, to act upon the following subjects:

Article 1. To choose all ncessary Town Officers for the year ensuing.

Article 2. To raise and appropriate such sums of money as may be necessary for Town Officers Salaries, Expenses, Election and Registration, District Court, Town House, Police Department, Fire Department, Civil Defense, Care of Trees, Cemeteries, Health Department, Sanitation, Vital Statistics, Operation of Highway Department, Sewer Department, Street Lighting, Welfare Department, Memorial Day, Recreation Department, Putnam Park, Town Library, Town Water Charge, Legal Expense, Town Planning, Conservation Commission, and for any other charge arising within the Town.

Article 3. To see if the Town will vote to raise and appropriate for paying of the Town debt and interest the sums of Seventeen Thousand Seven Hundred Dollars ($17,700.00) for the Space Committee loan, Three Hundred Fifty-Two Thousand Two Hundred Eighty Dollars ($352,280.00) for repayment of Sewer bonds, or take any other action relating thereto.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass any vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts to the Town in Trust or otherwise by any individual or individuals, or take any other action relating thereto.

Article 6. To see what sum of money the Town will vote to

authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of taxes for the current municipal year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be paid in the current municipal year from taxes collected during the current municipal year, and to raise and appropriate the sum of Eighteen Thousand Dollars ($18,000.00) to cover the interest on the notes, or take any other action relating thereto.

Article 7. To see if the Town will vote to memorialize the New Hampshire General Court to enact legislation whereby the Town of Peterborough will secede from Hillsborough County and join Cheshire County, or take any other action relating thereto.

Article 8. To see if the Town will vote to instruct the Selectmen to seek a more suitable location for future elections, or take any other action relating thereto.

Article 9. To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Three Hundred Dollars ($17,300.00) to replace a 1966 dump truck equipped with a 1942 plow and wing, or take any other action relating thereto.

Article 10. To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Six Hundred Dollars ($25,600.00) to replace the snow blower, or take any other action relating thereto. This equipment is presently under a lease-purchase agreement.

Article 11. To see if the Town will vote to raise and appropriate the sum of Seven Thousand Two Hundred Dollars ($7,200.00) to replace a 1968 maintenance dump truck and plow, or take any other action relating thereto.

Article 12. To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred Seventy-Five Dollars ($1,375.00) to replace a 1967 pickup truck, or take any other action relating thereto.

Article 13. To see if the Town will vote to raise and appropriate the sum of Seventeen Thousand Five Hundred Dollars ($17,500.00) to purchase a street sweeper for the Public Works Department, or take any other action relating thereto.

Article 14. To see if the Town will vote to raise and appropriate the sum of One Thousand Four Hundred Ninety Four Dollars and Twenty-Six Cents ($1,494.26) provided the State gives Nine Thousand Nine Hundred Sixty One Dollars and Seventy-One Cents ($9,961.71) for the construction of Class IV and V highways, or take any other action relating thereto.

Article 15. To see if the Town will vote to accept from the State

of New Hampshire, Twenty-Seven Thousand Three Hundred Forty Dollars and Fifty-Eight Cents ($27,340.58) in Block Grant moneys restricted to highway usage, or take any other action relating thereto.

Article 16. To see if the Town will vote to raise and appropriate the sum of Seven Thousand Five Hundred Dollars ($7,500.00) to replace the deteriorated deck on Noones Bridge, or take any other action relating thereto.

Article 17. To see if the Town will vote to raise and appropriate the sum of Two Thousand Six Hundred Dollars ($2,600.00) to make certain safety improvements at the intersection of High, Summer and Middle Hancock Roads, or take any other action relating thereto.

Article 18. To see if the Town will vote to raise and appropriate the sum of Three Thousand Three Hundred Dollars ($3,300.00) to trade the Chevrolet Police Cruiser for a 1973 model, or take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars ($3,000.00) to complete the renovations of the Police Department space in the Town House, or take any other action relating thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Five Hundred Dollars ($12,500.00) for a capital reserve fund to purchase a 2,000 gallon tanker for the Fire Department, or take any other action relating thereto.

Article 21. To see if the Town will vote to transfer and use the sum of Two Thousand Five Hundred Dollars ($2,500.00) from the income of the Albert W. Noone Trust Fund for the use of the Fire Department in upgrading their communication system, or take any other action relating thereto.

Article 22. To see if the Town will vote to raise and appropriate the sum of Two Thousand Eight Hundred Dollars ($2,800.00) to construct a wading pool for the pre-swimmers, or take any other action relating thereto.

Article 23. To see if the Town will vote to release the unexpended balance of construction moneys derived by under-run of construction costs to the Sewer Department for the purpose of installing sewer laterals, to reimburse certain property owners the costs of construction of private sewers and mainline extensions incurred because of project omissions, or take any other action relating thereto.

Article 24. To see if the Town will vote to release the unex-

pended balance of construction moneys derived by under-run of construction costs to the Sewer Department, to reimburse certain property owners the costs of construction of private sewers and mainline extensions incurred because of project omissions, or take any other action relating thereto.

Article 25. To see if the Town will vote to raise and appropriate the sum of One Thousand Three Hundred Forty Dollars ($1,340.00) to reimburse the Conservation Commission for moneys set aside for the purpose of conduction a soil survey, or take any other action relating thereto.

Article 26. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty Dollars ($750.00) to conduct a geologic survey for the purpose of determining the Towns water resourses, or take any other action relating thereto.

Article 27. To see if the Town will vote to appropriate the sum of Twenty-One Thousand Nine Hundred Dollars ($21,900.00) and raise 1/2 of the sum this year, and the balance in 1974 for the purpose of conducting a professional re-appraisal of taxable properties, or take any other action relating thereto.

Article 28. To see if the Town will vote to raise and appropriate the sum of Six Thousand Five Hundred Dollars ($6,500.00) to widen and improve a portion of the Old Sharon Road near the Herbert Jordan residence, or take any other action relating thereto.

Article 29. To see if the Town will vote to accept Hunter Farm Road as a Town Street, or take any other action relating thereto.

Article 30. To see if the Town will vote to officially name the following roads:

1. Cabana Drive
2. Glen Drive
3. Highland Drive
4. Hunter Farm Road
5. Pheasant Road

And to further re-name the following roads:

1. Howe Road to Murphy Road
2. Robbe Road to Old Dublin Road
3. Old Mountain Road (from Route 101 northerly to Sally Spring House) to Cunningham Pond Road
4. Old Mountain Road (from Sally Spring House easterly to Route 101) to East Mountain Road

And to correct the following apparent typographical errors:

1. Kauffman Drive to Kaufmann Drive
2. Look Out Hill Road to Lookout Hill Road
3. Scott-Williams Road to Scott-Winn Road,

or take any other action relating thereto.

Article 31. To see what sum the Town will vote to raise and appropriate for the preparation of a Master Plan by the Planning Board, or take any other action relating thereto.

Article 32. To see if the Town will vote to accept such sums as may be made available under Title 1 of the State and Local Fiscal Assistance Act of 1972 to be used for the purpose of reducing the tax rate at the discretion of the Selectmen, or take any other action relating thereto.

Article 33. To see if the Town will vote to establish a Capital Reserve Fund for the Fire Department Ambulance Service to be funded by revenues derived from any service charges and gifts received for the exclusive purpose of major equipment acquisitions, or take any other action relating thereto.

Article 34. To see if the Town will vote to raise and appropriate the sum of Seven Hundred Fifty Dollars ($750.00) in legal and other expenses to acquire the Brown-Cote residence on Summer Street adjacent to the Peterborough Fire Station, or take any other action relating thereto.

Article 35. To see if the Town will vote to amend the Zoning Ordinance as proposed by the Planning Board, or take any other action relating thereto. (Ballot Question)

Article 36. To see if the Town will vote to raise and appropriate the sum of One Thousand Five Hundred Twenty-Three Dollars ($1,523.00) for the use of the Monadnock Family and Mental Health Service, or take any other action relating thereto. (By Petition)

Article 37. To see if the Town will vote to raise and appropriate the sum of Three Thousand Nine Hundred Ninety-Six Dollars ($3,996.00) to support the services of the Monadnock Community Visiting Nurses Association, or take any other action relating thereto.(By Petition)

Article 38. To see if the Town will vote to raise and appropriate the sum of Two Thousand Six Hundred and Four Dollars ($2,604.00) for the Monadnock Region Association, or take any other action relating thereto. (By Petition)

Article 39. To see if the Town will vote to designate Middle Hancock Road a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action

relating thereto. (By Petition)

Article 40. To see if the Town will vote to designate Spring Road a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 41. To see if the Town will vote to designate certain roads in the Town, other than Class I or Class II highways, as scenic roads according to the provisions of New Hampshire Chapter 253:17-18, or take any other action relating thereto. (By Petition)

Article 42. To see if the Town will vote to designate High Street, from the intersection with Main and Union Streets to the intersection with Summer Street and Middle Hancock Road, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 43. To see if the Town will vote to designate MacDowell Road, from the intersection with High Street to the intersection with Windy Row, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 44. To see if the Town will vote to designate Hunt Road, from the intersection with Summer Street to the intersection with Currier Avenue, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 45. To see if the Town will vote to designate the Old Dublin Road, from the intersection with New Hampshire Route 101 opposite Hatch Street, to the Dublin town line, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 46. To see if the Town will vote to designate Four Winds Farm Road, from the intersection with the Old Dublin Road to the Dublin Town Line, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By petition)

Article 47. To see if the Town will vote to designate the Old Sharon Road, from the intersection with U.S. Route 202 to the Sharon town line, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 48. To see if the Town will vote to designate Upland Farm Road, from the intersection with the Old Sharon Road to the

intersection with New Hampshire Route 123, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 49. To see if the Town will vote to designate Bass Road, from the intersection with New Hampshire Route 101 to the intersection with New Hampshire Route 123, a scenic Road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 50. To se if the Town will vote to designate Powersbridge Road, from the intersection with New Hampshire Route 101 to the intersection with Morison Road and the Old Sharon Road, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 51. To see if the Town will vote to designate Condy Hill Road, from the intersection with New Hampshire Route 101 to the Sharon town line, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 52. To see if the Town will vote to designate East Mountain Road a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 53. To see if the Town will vote to designate Old Mountain Road a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 54. To see if the Town will vote to designate Brantwood Road a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 55. To see if the Town will vote to designate the Holt Road, from Sand Hill Road to the Gulf Road (Old Greenfield Road), a scenic road according to New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 56. To see if the Town will vote to designate the Old Bennington Road, from the intersection with New Hampshire Route 136 to the Greenfield Town line, a scenic road according to the provisions of New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 57. To see if the Town will vote to designate Sand Hill Road, from the intersection with Old Street Road to the Brantwood

Road, a scenic road according to New Hampshire Chapter 253:17-18, RSA, or take any other action relating thereto. (By Petition)

Article 58. SELECTMEN'S REPORT

Each year, it must certainly seem it is *the* year in which everything has happened at once. 1972 has been a year such as that — when we have tried within the means available, to finish major projects in a way satisfactory to all, evaluate and propose new ones and maintain our equilibrium in the process. Our town is suddenly finding itself on the edge of dynamic change and some of its people are experiencing painful second thoughts. It has been our effort to help, in whatever way we could, the accomplishing of objectives and the fulfillment of purposes which appear just and good in the social, economic and natural environment of our town. Whether or not we have been effective, we believe that 1972 brought progress.

Within perfectly proper definitions, capital enterprize has found opportunity in Peterborough. The most notable evidences are the Pheasant Glen apartments, the new facilities of Brookstone Company, the new plant of National Cash Register Corp., the construction of the One Pine Street apartments and the Shopping Plaza on Route 101. The processes leading up to the last of these brought about a deep division between the town's people who were progressively oriented on the one hand and conservationist oriented on the other. We deplore the destructive influences of such division, but we believe it will ultimately result in the development of a much more firm knowlege of ourselves, what we want to be and where we want to go.

We are fortunate in having a Planning Board able to respond to such a need, and we hope that the public will support final decisions as they are evolved.

Efforts toward the implementation of planned unit development residential projects were thwarted, — necessarily, in our opinion — by the realization that a certain amount of improvement in control definitions was required. Unfortunately, these days, capital is unable to subsist on small projects and when forced to do so, the consumer cost of what is produced is usually prohibitive. Our town will find a way — and soon — through analysis and planning, to accommodate and nurture vital interests.

Increasingly, and because of differences of purpose, there has been an emergence, consolidation and organization of citizen involvement in town affairs. We have generally welcomed and encouraged this change away from apathy. Individually and collectively, the citizens of Peterborough who take an active interest in the town have brought about better conditions and better objectives.

Symptomatic of activity in this area, however, are sharply increased paper-work and much heavier demands on official and volunteer time. State and Federal involvement in town projects have contributed their share, not only of the town's improvement, but of the town's administrative burden. We have been glad to find that our small staff and the many volunteer efforts have been equal to the task.

The long and upsetting project of the initial sewer system of the town is just about concluded. The town took possession of the sewer plant in North Peterborough in June, and more than four hundred private, industrial and commercial users are now connected or committed to do so by early Spring. The system is working perfectly. We are very much concerned, however, with the fact that the cost of operating such a system is exceeding — and will continue to exceed — the revenues generated by user charges. For this reason, as well as the need to continue the abatement of pollution, it is going to be necessary to construct additional lateral lines within the extent of balances of capital available for this purpose. We hope that 1973 will see the accomplishment of this improvement.

The town, through the excellent response of the Fire Department and its volunteers, has met the challenge to provide an ambulance service — and has done so in a distinctly superior manner. Both in terms of equipment and manpower, Peterborough Ambulance is unexcelled. The inclusion of other surrounding towns was both logical and beneficial in every way. The towns of Dublin, Greenfield, Hancock, Francestown and Sharon have joined Peterborough in the use of this service, which is supported by taxes raised by each of the towns in proportion to their populations. This method has made it possible to afford the finest and we made the initial capital investment. In the years ahead, operating costs should easily be met notwithstanding the fact that the demand for the service is almost triple what was originally estimated. Policy changes with respect to producing revenue from the service are being considered, but in our opinion, when and if changes are adopted revenues should be placed in reserve against the eventual acquisition of replacement equipment and not directed to operations expense.

The town suffered the somewhat traumatic experience of having the tax rate jump $14.00. An error in the Conval School District resident pupil count allocated to Peterborough later resulted in an abatement of $4.21. The still disagreeable increase of about $10.00 on the rate spurs a sharp awareness of fiscal matters in this town. We have been seriously considering alternatives to solving

the common assessment dilemmas of a town such as ours, and expect to make proposals which will, through professional re-appraisal, produce fair and equitable treatment throughout the town.

As we look into the near future of Peterborough, we can confidently expect that problems will be overcome and procedures be established for the conduct of town affairs in the face of rising pressures without undue strain. Professional analysis of the town, and planning for its needs and desires, is central to the kinds of recommendations and support which we shall encourage in the future.

We are encouraging, and we hope the public will assist, the Police Department in its program in the areas of manpower, equipment, training and public relations. Similarly, we believe that the Public Works Department, Fire Department and Recreation Department are in good shape and getting better. Under a new Director, the Recreation Department is experiencing a revitalization in certain areas. We have encouraged the Public Works Superintendent to streamline his work force and supplement it with specialized equipment. The non-existence of a broad labor force resident in Peterborough underlines this practice. Unfortunately, there is no method in Peterborough for the establishment of reserves for equipment acquisitions, and we must periodically undertake some fairly heavy investments. Nevertheless, we are convinced that long term costs are lower and performance is better under the kind of management policy we see in this department.

The town is deeply indebted to the voluntary efforts of citizens on various boards and committees. Outstandingly, the work of the Planning Board, the Board of Adjustment, the Budget Committee, the Recreation Committee and Library Committee have served the interests of the town — and the Conservation Commission has conserved the interests of the town. We are very fortunate to have these and fortunate also to have the daily help of the fine people at the Town House.

Respectfully submitted,

James E. Simonds

Selectmen

REPORT OF SUPERINTENDENT OF PUBLIC WORKS RELATIVE TO ADMINISTRATION

Town House	Town Office
Trees	Highway Dept.
Parks	Water Dept.
Cemeteries	Sewer Dept.
	Engineering

To the Board of Selectmen

Gentlemen:

Continued rapid growth has made for an active year in all departments.

The following report is a brief synopsis of operation of departments under my jurisdiction:

TOWN OFFICE

Routine was the word for the Town Office for the past year. The volume of work especially paperwork and filing, continues to increase to the point where our storage facilities are bulging at the seams.

The Town should immediately consider methods to convert our stored files to microfilm. My recommendation is to have a study committee appointed which would evaluate methods of making a change-over to film. The committee should report in sufficient time to prepare the necessary budgetary item for the 1974 Town Meeting.

TOWN HOUSE

The old kitchen has been torn out and in its place is a map room for Planning Board files and a small engineering office. The map room will allow all maps and planning materials to be cataloged and assembled in one place. The engineering room, which has already been put to use for the playground project and sewer design projects, gives us the opportunity to effect a savings by doing some of our own work instead of employing an outside engineering firm.

Renovations have also been made in the space occupied by the Police Department on the lower level of the Town House.

HIGHWAY DEPARTMENT

Your Public Works crews had a busy winter taking care of almost twelve feet of snow, which fell in 30 storms. In addition to this, the constant freezing and thawing throughout the winter kept men and machinery humming to combat many severe ice problems.

The crews installed drainage systems on High Street and Powersbridge Road. Several isolated basins and culverts were installed where needed.

Safety improvements were made at two dangerous double throat intersections. The first at the corner of High Street and MacDowell Road involved the installation of under drain, two basins and culvert pipe as well as the relocation of three utility poles and the upgrading of the street lighting on the corner. The second project involved the removal of two large pines on the triangle near the Fly Pond. The intersection was then brought in at right angles providing for Hunt Road being a stop street. The adjacent areas were then loamed and seeded.

The balance of the year was spent on normal maintenance work.

More work was accomplished with fewer men this year. The creation of a new position and wage scale that attracts a higher caliber employee has stabilized the work force.

The equipment side of the ledger shows that the planned change over from a construction type of operation to a maintenance unit is about complete. The only pieces lacking are a sweeper and a utility truck.

A total of 1 1/2 miles of new road were accepted for Town maintenance. Burke Road, Hunter Farm Road, and Pheasant Road were all completed this year.

During the past autumn it became mandatory to post the Noone's Bridge to a 6 ton limit, because of the deteriorated condition of the decking. A special article is offered to install a new deck. The stringers are in good condition and perfectly safe for continued use.

SURFACE TREATMENT

T.R.A. moneys were utilized for the application of a hot top overlay on Union Street from Overseers Row to Briggs Street. This program will continue in the coming years until the entire street is completed.

The excessive breakup of our roads last spring caused by the constant freezing and thawing throughout the winter made it mandatory to triple the sealing program. Consequently, your Public

Works crews covered nearly three times the usual mileage and used over 100,000 gallons of sealant.

In addition, the Town required that a portion of Union Street be repaved at the expense of a sewer contractor because of his failure to provide proper compaction during the performance of his contract.

WATER DEPARTMENT

The water system was enlarged to provide extensions to serve Hunter Farm Road, Pheasant Road, Brookstone plant and Graves Road. These extensions were installed under the guaranteed mainline extension method, with the developer guaranteeing the cost over a 20 year period.

Thirty-two new water services were installed.

The hydrant modernizing plan continued this year with ten hydrants being installed to replace outdated or broken hydrants. In addition to this, developers installed another twelve hydrants.

Two of the water storage tanks will require painting in the coming year.

A project is scheduled to revamp the water system along Cheney Avenue, Old Street Road, Kaufmann Drive, Wilton Road, and Lobacki Drive to provide a better quality water to these areas.

SEWER DEPARTMENT

The Town took over operation of the new sewer facility in June and the slow process of connecting the houses to the mains was started. At this point approximately two-thirds of those to be connected are now on the mains.

Additional sewer lines under the guaranteed mainline extension procedures were run to the National Cash Register plant, Riverdale I, and the Brookstone building. An extension now in the design stage will run a sewer line to the dam tender's house at MacDowell Dam.

There is a dire need to extend sewer to the balance of the compact area to pick up enough users to make the department self-sufficient.

This fall the State and Federal sponsored mobil training lab set up at the sewer station to train our backup personnel and those of other nearby towns in the operation of the facility.

SANITARY LANDFILL

The landfill continues to operate in a clean and efficient manner. We are presently using the fourth hole and expect this to last until mid-April 1973. The fifth hole is opened and ready for use. Each hole will handle approximately 84,000 cubic feet of compacted refuse.

An attempt will be made at recycling in the coming year. We will set aside an area of the landfill and place containers for the material. Mrs. Dorothea Greene will be in charge of the recycling program which will be a private enterprise. Your cooperation in keeping the area clean is mandatory.

This program is not to be confused with the recycling of metals and the composting of leaves that has been going on since the landfill was opened.

A storage garage for the loader was constructed and the machine is stored at the site except when servicing or storm duty requires that it be brought into town.

TREES

The usual tree removal program was conducted as in the past. In addition, a tree planting policy was enacted. Thirty-three rock maple saplings were planted at various areas. This program will continue in 1973 if moneys are appropriated.

It is impossible to keep up with the Dutch Elm problem without additional funds. Thirty-five of eighty-eight hazardous trees were removed. We have a definite liability in this aspect and because of that liability I am asking that in 1973 funds be voted to allow us to catch up.

We have also installed a small nursery utilizing trees from the Arbor Day packages. It is our intention to add to it each year. The first trees should be ready for transplanting to a permanent site in the fall of 1978.

PARKS

A change in the operations of Putnam Park was made this year. After the initial spring clean up by Public Works crews, the maintenance of the park was contracted to Mr. Ted Brayton. The park received excellent care and the change worked well for all concerned. The cost of operations was less than the previous method.

Permanent type benches were installed and this cut down immeasureably in the vandalism.

Teixeira Park is coming slowly. Drainage has been installed by National Guard forces. Three fine fir trees were donated by Mr. and Mrs. Robert Ray and have been transplanted to the park along with a dozen rock maple saplings. Top soiling and seeding the area has fallen behind and I will have to use Town crews to complete the job in time to seed in the Spring. Walkways, if necessary, will not be installed until I see where the people want to walk. The six benches will be installed in the Spring.

CEMETERIES

The cemeteries were well maintained this year and the hedges on the Sand Hill side of the Pine Hill Cemetery received a badly needed grooming.

I have been assured by the State Highway Department that the gates on the Concord Street entrance will be re-installed on the Sand Hill entrance as a part of the Route 202 reconstruction in 1973.

TOWN GARAGE

A major change has taken place in the operations of the Town Garage. We were fortunate to be able to secure the services of Mr. Howard Boutwell who will be our full-time mechanic.

With an inventory of over a quarter million dollars worth of Town-owned equipment we were in dire need of a preventive maintenance program. At this time the Public Works, Fire, Police, Recreation, and Civil Defense Departments are availing themselves of this service at costs far under those of the usual commercial channels. In addition many items are now being purchased in sufficient volume to take advantage of low state and fleet prices. The most important aspect is that proper maintenance will be done on an established schedule and not left to chance.

ENGINEERING

The Town is now in a position to do limited engineering functions on the local level. As reported earlier, a small engineering facility has been established in the former kitchen at the Town House. To date, the engineering design and specifications for the Tennis Court project and the sewer extension to Riverdale Inn have been done locally at a substantial dollar saving. We will continue to design projects that fall within our capabilities and available time.

In conclusion, I wish to express my gratitue to yourselves, the

girls in the office, my foremen and crews and to the citizens for their understanding and support.

Respectfully submitted,

John N. Isham
Superintendent of Public Works

REPORT OF BUILDING INSPECTOR

Building permits totaling $4,179,715.00 in increased valuation were issued in 1972.

The breakdown is as follows:

Dwell Units	No.		
Single Family Homes	44		$1,276,000.00
Multi Family Homes	1	16	130,000.00
Commercial Buildings	5		1,139,290.00
Commercial Demolition			—15,000.00
Industrial Buildings	2		1,392,000.00
Residential Renovations	40		187,875.00
Commercial Renovations	4		39,200.00
Industrial Renovations	1		5,000.00
Miscellaneous	6		25,350.00
Total	103		$4,179,715.00

In addition the following information was compiled to show the growth trend of the Town over the past ten years:

Year		*Total Value All Permits*	*Population*
1972	60	$4,179,715.00	3,996
1971	110	$2,833,050.00	3,862
1970	55	$1,281,950.00	3,807
1969	41	$1,080,495.00	3,886
1968	26	$ 785,138.00	3,736
1967	49	$ 989,300.00	3,480
1966	20	$1,703,850.00	3,343
1965	28	$2,196,050.00	3,356
1964	18	$ 544,440.00	3,280
1963	20	$ 662,511.00	3,222

Respectfully submitted,

John N. Isham
Building Inspector

BUDGET COMMITTEE REPORT

The Budget Committee is in accord with the majority of budgets and special articles presented this year. For a change, we have a projected rollback in the tax rate of approximately two dollars.

One of the concerns of your Budget Committee this year has been the Noone Fund. We have recommended to the Selectmen that the Noone Fund should, in the future, go directly into the General Fund to reduce taxes. Our fear is that many projects using the Noone Fund are accepted by the voters because they are under the impression that these projects don't cost them any money. We feel that all Special Articles presented should stand or fall on their own merit. The usage of the Noone Fund just seems to cloud up the real issues.

Another of our concerns has been the Visiting Nurse's Association. This year the Visiting Nurse's Association has almost doubled its requested appropriation. It is our feeling that Peterborough is paying more than its fair share for services rendered. The Budget Committee has offered to support an increase over last year's appropriation, however, we were informed by the Visiting Nurse's Association that the request was non-negotiable and that services would be withdrawn if we did not honor their request in total.

The Planning Board is asking for a substantial sum of money for a Master Plan for "Our Town". It is the hope of this committee that this plan will be implemented where feasible as it would be a waste of money to develop a plan and not make full use of it.

The Budget Committee has also taken the position that we would like to see the Recreation Committee look into the possibility of becoming more self-supporting in the future. We feel that no Peterborough child should ever be turned away from any program, but we would like to see the participants who can afford it pay their fair share. It is our feeling that the Recreation Department is in a unique situation, unlike the Highway, Fire, and Police Departments, public safety is not involved and, therefore, they are not comparable in the use of tax dollars.

Finally, we have considered the matter of appraisal in the Town of Peterborough. The Budget Committee feels this is a necessity if we are to have a just apportionment of fiscal responsibility. It may seem to be an expensive item at first glance, but we feel it corrects many injustices that have occurred over the years.

Your Budget Committee wishes to thank the Department heads

and various committee members who were such a help to us this year.

We wish to ask the voters to continue to support our recommendations as stated at Town Meeting since they have such an important effect on "Our Town".

Joseph Dillon, Chm.
Richard Barter

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 1972

1. DEPARTMENT REPORTING

The General Fund does not include the following departments which are reported separately:

Water
Sewer
Sewer construction
Cemetery
Library

2. APPROPRIATED FUND BALANCE — GENERAL

Appropriated fund balance at December 31, 1972 represented the unexpended balance of special appropriations carried forward from 1972.

3. NOTES PAYABLE — GENERAL

Notes payable to banks at December 31, 1972 consisted of:

4-1/4% note for tennis courts, due June, 1973	$18,448.19
4-1/2% note for renovation of town house and fire station and construction of highway garage, payable in annual installments of $15,000, through 1976	60,000.00
	$78,448.19

4. LONG-TERM DEBT-WATER

Notes payable to banks at December 31, 1972 consisted of:

2-1/4% note payable in annual installments of $6,000.00, plus interest, through 1973	$6,000.00
4-1/2% note for guaranteed main line extension, payable in annual installments of $1,000.00, plus interest, through 1981	9,000.00
3-1/2% note payable in annual installments of $20,000.00, plus interest, through 1987	300,000.00
5-3/4% note for guaranteed main line extension, payable in annual installments of $850.00, plus interest, through 1989	12,995.00
4-1/4% note for guaranteed main line extension, payable in annual installments of $1,082.50, plus interest, through 1992	20,242.47

4-1/4% note for guaranteed main line extension, payable in annual installments of $1,200, plus interest, through 1992	20,833.84
4-1/4% note for guaranteed main line extension, payable in annual installments of $900.00, plus interest, through 1992	18,000.00
	$387,071.31
Less current portion	31,032.50
	$356,038.81

5. PROPERTY, PLANT AND EQUIPMENT-SEWER

Property, plant and equipment at December 31, 1972 represented the cost of work done on main line extensions.

6. NOTES PAYABLE-SEWER

Notes payable to banks at December 31, 1972, all for guaranteed main line extensions, consisted of:

4-1/4% note, payable in annual installments of $800.00, plus interest, through 1992	$16,000.00
4-1/2% note, payable in annual installments of $1,700.00, plus interest, through 1992	34,000.00
4-1/2% note, payable in annual installments of $260.00, plus interest, through 1992	5,200.00
	$55,200.00

7. LONG-TERM DEBT-SEWER CONSTRUCTION

Long-term debt of the sewer construction account at December 31, 1972 represented the unpaid balance of the sewer construction bonds. The bonds are payable in annual installments of $185,000.00, plus interest, through 1980, and in annual installments of $180,000.00, plus interest, from 1981 through 1990.

PETERBOROUGH TOWN LIBRARY REPORT, 1972

One of the most exciting five-letter words is ALIVE, and that is what your Town Library has been this past year. People tell us so; our activity shows it and we feel it.

Yes, ALIVE and GROWING, and this is due to you who use it.

We thank you for your continued encouragement, for your constructive criticism, your helpful suggestions and your financial support.

Metal shelving installed in the Eben Jones Wing by the Wilson Company of Lawrence, Massachusetts, has enabled us to bring two-thirds of all adult non-fiction into the wing. Moving the books was a tremendous job but it was accomplished with the splendid cooperation and help of students from Conval School and the Monadnock Workshop. The wing has been more comfortable since the installation of combination storm and screen windows; extra lighting for over-size books as well as emergency lighting are further improvements.

Two book carts and an electric portable typewriter have been purchased to aid the staff in their work.

The acquisition of a Xerox #1414 Micro-film Reader was made possible with funds donated by Mr. and Mrs. J.E. Coleman and the Daniels Trust. This reader has been set up in the McGilvray Room.

The parking area and turn-around space has been improved and enlarged by the removal of several diseased and dead trees as well as the stone curbing along the north wall. Oiling and sanding were then done.

We feel that the Library looks appealing, sparkling and well-kept due in large measure to the high standards and hard work of Mr. and Mrs. Henry Ricker who joined the Library staff last spring.

Mr. Donald Sutherland was appointed library trustee in June to fill the vacancy of Mr. Thomas Williams who resigned for business reasons.

Several articles of historical interest were presented to the Peterborough Historical Society; among them the bird-bath and statues of doe and fawn executed by Miss Esther Jackson. A swivel-caned chair, straight-back caned chair and a bent-wood umbrella stand, part of the library's original furnishings, are now at the Historical Society. The wooden magazine racks were sold to the Gilford Public Library when metal periodical shelving was installed.

School and public library cooperation has been good. In October, the Board met with the new Recreation Director, Mr. Jutras, to discuss cooperation with that department.

The library's insurance program was reviewed and a schedule of payments and necessary coverage was set up.

When the library was host to the October meeting of the Southwest District Advisory Council (SWDAC), Mr. Hale, library trustee, spoke on planning and presenting a library budget. In November, the New Hampshire State Library Commission held its meeting in the McGilvray Room.

Your librarian was re-elected chairman of the SWDAC for another year in April. She was also appointed to a State Library Committee on Outreach programs which meant attending a week's seminar in Durham during June. She has, as well, attended conferences on Service Center Libraries, their role in the State-wide Library Development Program and their services to the elderly and handicapped.

A concentrated inventory and weeding program is now in force at the library. This will bring frequently used materials to the main floor. Lesser used materials will be stored in the upper stack area which is now closed to the public.

We are pleased and proud to announce that Mrs. Eunice Safford, Mrs. Helen Richardson and Mrs. Frances Russ completed a ten-week reference course at Keene College in the spring. The same course was offered in October and was completed by Mrs. Vivien Whitney, Mrs. Gloria Murray and Mrs. Ruth Alvin. This course is given by the University of New Hampshire in cooperation with the New Hampshire State Library. As a result of staff recommendations, the library's reference collection has become stronger and more diversified.

The contributions of the Garden Club, Peterborough Savings Bank, Bellows-Nichols Agency, First National Bank, and patrons who have donated materials and funds have made it possible to expand areas of service to the library's many users.

Yes, your Town Library is alive and growing. Prospects for 1973 indicate the trend will continue as our statistic report shows.

Thank you for your support and interest. It encourages us to give more and better service.

Respectfully submitted,

(Mrs.) Kathleen Taylor, Librarian

AUDITOR'S REPORT

The Board of Selectmen
Town of Peterborough
Peterborough, New Hampshire

We have examined the financial statements, as indexed on the preceding page, of the Town of Peterborough, as of December 31, 1972 and for the year then ended. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. We did not examine the Trust Funds, which were examined and reported on by the Town's auditors.

In our opinion, the aforementioned financial statements present fairly the financial position of the various funds and departments of the Town of Peterborough as of December 31, 1972 and the results of the financial transactions for the year then ended, in conformity with generally accepted accounting principles applicable to government entities, applied on a basis consistent with that of the preceding year.

Smith, Batchelder & Rugg

Keene, New Hampshire
February 7, 1973

AUDITOR'S CERTIFICATE

We have examined the accounts of the Town Officers, Committees and others having charge of money for the year ending December 31, 1972 as required by law and find them correctly cast and properly vouched.

Ervin F. Diamond
Francis E. Nolan
Robert Nielsen

The Police Cruisers traveled approximately 98,000 miles.

Conclusion

I wish to take this opportunity to express my thanks to the Board of Selectmen, members of the Police Department, members of the State Police, Judge Kenneth A. Brighton, Clerk of Court, Stella L. Sumner, Thelma Turner, Town Bookkeeper, Patricia Spiller, Rebecca Baldwin, Merchants and Citizens of Peterborough, for the cooperation given me in the performance of my duty as Chief of Police during the past year.

Respectfully submitted,

Arthur G. Jackson
Chief of Police

REPORT OF THE FIRE DEPARTMENT — 1972

We want to take this opportunity to express our thanks to the members of other town departments for their assistance and cooperation during 1972. We also want to thank the townspeople for their support and fire safe conduct throughout the year.

During 1972 we had two serious fires. In January, 1972, a restaurant was partially destroyed and in October we lost a home, along with a life.

A breakdown of the fire calls are: 59 alarms; with 12 malfunctions of automatic alarms, 9 grass and outside fires, 8 building fires, and 3 false alarms.

On September 1, 1972, the Fire Department began operating the ambulance service for Peterborough and five surrounding towns. Sixteen members of the Fire Department underwent special training and from September to December we answered 110 calls for assistance; with 76 calls in Peterborough, 13 in Dublin, 9 in Hancock, 7 in Greenfield, 3 in Francestown and one in Sharon.

We also want to thank the members of the Department for a good job well done.

Merton S. Dyer, Chief
David W. Crooker, First Assistant
Lawrence C. Bishop, Second Assistant

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes. Fores Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

Number of fires reported and acres burned — 1972 season:

State		410 fires
District		79 fires
Town	4 fires	
		361 acres burned
		45 3/4 acres burned
		3 acres burned

Winthrop H. Hannaford
District Chief

Merton Dyer
Forest Fire Warden

HEALTH DEPARTMENT REPORT

The following is my report as Health Officer for the year ending December 31, 1972:

803 complaints investigated
48 septic systems checked
74 inspections of stores, schools and inns with State
20 Humane Society complaints investigated
7 gonorrhea cases reported
2 mumps cases reported
9 animal bites reported
0 rabies in animals reported
31 strep culture reported
8 chickenpox cases reported
4 measles cases reported
19 child caring agency's inspected
51 international certificates approved

James Farrell
Health Officer

CIVIL DEFENSE REPORT FOR 1972

To the Selectmen of the TOWN OF PETERBOROUGH:

Your Civil Defense organization has been busy maintaining its status quo as part of the State of New Hampshire's Civil Defense. This includes keeping the various units alerted to their various responsibilities in time of emergency.

Our Warning Officers have done fine work in answering the several test CHECKER BOARD alerts, including Fanning Out to the twelve surrounding towns by telephone. The Communication Unit has answered all weekly State RACES Rollcalls.

The Rescue Unit has been efficient in doing its part in two simulated Disaster Exercises — one with the Hospital, and one with the U.S. Air Force and CAP (Civil Air Patrol). This included the use of four station wagons which are part of the Rescue Unit, and the Civil Defense Demolition Truck.

The Medical Unit under Dr. Bailey and his wife, a registered Nurse, has been very helpful and adds strength to our organization.

Our Alarm Systems, consisting of 4 units of 4 speakers each, have been located (1) on the old Fire Station Tower, (2) on the roof of Gates Mill, West Peterborough, (3) at the Middle Conval School and (4) at Noone's Mill. All are operative and ready for action.

Work is slowly progressing on our new EOC to be located at the National Guard Armory.

Peterborough is very fortunate in having been selected by the U.S. Civil Defense NAWAS (National Warning System) as a NAWAS Point. This places Peterborough on a DIRECT HOT LINE of the Warning System. It requires a 24-hour coverage. Tests are made from Colorado Springs, Colorado, three times daily (every 8 hours). Chief Arthur Jackson will be in charge of this operation.

In closing, I wish to express my thanks and appreciation to Maurice Labbe for his fine work installing the C.D. Alarm System, and to all other dedicated personnel who have been so helpful in the performance of their duties. And also to the Board of Selectmen for their fine cooperation.

Respectfully submitted,

Carl W. Wood, Director
Civil Defense, Town of Peterborough

PLANNING BOARD REPORT

Since the 1972 Town Meeting, the Planning Board has held 36 meetings. Nine public hearings were conducted. In March, a 10 acre industrial tract on Route 202, South, where National Cash Register is now located, was approved. In April, a 12.2 acre tract on Route 202, North, where Brookstone Company is now located, was approved. In May, an 83,000 square foot shopping center on a 10 acre tract at the intersection of Contoocook River and Route 101 received Board approval. In June, a Mobil Oil Gasoline Filling Station was approved for the Southeast corner of Route 101 and 202. In August, Harvey Moore proposed a 189 unit planned unit development on the General Miller Road, off the Old Greenfield Road, and in September, J.C.L., Inc. proposed a 200 unit planned unit development on the Old Jaffrey Road, on the former Freemont Estate. Eleven single unit sub-divisions were also approved. Phase IV of Peterborough Industrial Development Corporation's Pineridge Development, involving 17 lots in North Peterborough, behind the Peterborough Middle School, and a 60 apartment West Peterborough complex, also to be constructed by Peterborough Industrial Development Corporation was taken under consideration. Because of all this activity, the Planning Board temporarily recinded the Planned Unit Development regulations in November of 1972.

The Planning Board distributed a 39 item questionnaire to the 2,088 citizens who voted at the Presidential Election on November 7th. Additional questionnaires were mailed to 200 non-residents and 251 absentee voters. A total of 1,017 questionnaires were returned to the Planning Board, and they have all been tabulated on the MIT Computer. This represents a 40% return of all those who voted on November 7th and a 34% return of the entire Peterborough check list of 2,738 persons.

Of those who responded to the questionnaire, 92.3% were voters and 84.8% were taxpayers. Although 32.7% had lived in Peterborough less than five years, 64.6% had lived in Peterborough over five years, and 34.1% had lived in Peterborough over 20 years. 67.6% of those answering the questionnaire wanted Peterborough to remain as it is now, and 76.3% hoped that Peterborough's growth would be only slight (100 people per year, or less). 76.4% felt the Planning Board should obtain professional planning assistance, and 86.8% of those answering the questionnaire, felt that Peterborough needed a Master Plan prepared according to the desires of Peterborough people.

Because of the results of this questionnaire, the Planning Board is proposing eight amendments to the zoning ordinance. The most controversial proposal is the second amendment which would increase the lot size in the rural area to three acres, and the frontage of 200 feet. The Planning Board is also sponsoring an article in the Town Warrant to raise the necessary funds to have a Master Plan prepared for the Town of Peterborough. Part of the purpose behind the zoning amendments is to slow the growth in Peterborough until such time as a Master Plan can be prepared. Approximately 85% of Peterborough is still open space. The growth pressures to the South and East are rapidly moving in Peterborough's direction, and the Planning Board feels very strongly that immediate steps should be taken to control and channel this growth in a constructive direction. A Master Plan for Peterborough, indicating where, when, and how Peterborough should grow is a necessity for this town, if the townspeople want any voice in the future character of this community.

The Board is hopeful the citizens will support the zoning amendments and will approve the necessary funds to finance a Master Plan.

REPORT OF THE CONSERVATION COMMISSION

The year began propitiously with the engagement of John M. Lord, Jr., a graduate student of the University of Vermont and a long time summer resident of Peterborough, to survey the natural resources of the town and to recommend conservation measures and other proposals to preserve or enhance the environmental aspects of the township. A feature of the project was the co-operation of the sixteen residents and local officials who comprised the four committees of Conservation, Natural Habitat, Recreation and Aesthetics, together with the Planning Board and six state officials, whose assistance was of the greatest value. Their report on a Natural Resources Plan for Peterborough was submitted in October and accepted at a joint meeting of the Selectmen, Planning Board, and Conservation Commission.

Completion of a soil survey for Peterborough is recognized by the Planning Board as basic to any long range Master Plan. Learning that The Ford Foundation had a program for Conservation Commissions in which it offered grants to towns in need of a soil survey, the Conservation Commission, having in hand the required matching funds, made immediate application and received in August the full amount of the award, Two Thousand Ninety Dollars ($2,090.00). Accordingly arrangements were made jointly with the Department of Agriculture Soil Survey Service to complete the survey in the summer of 1973 and present to the town the final soil maps and interprative analysis by this time in 1974. Two fifths of the town's area, at private expense, has been surveyed in past years leaving only three fifths to be accomplished.

In keeping with its annual custom, the Conservation Commission sponsored two Peterborough students and paid for their week at the Spruce Pond Conservation Camp, the Audubon Society's nature area at Bear Brook. This year the students were Richard Dupris and Donald Lord. They later met with the commission and gave a full and interesting account of their educational experience.

Environmental factors — or, as the commission felt, a disregard of them, came to a head in the proposal to erect a shopping plaza on the existing fill in the flood plain of the Contoocook River, south of the 101 highway bridge. Action came so quickly by the developer in gaining approval that the commission felt impelled to appeal to the Board of Adjustment in order to have any opportunity to submit an authoritative impact statement which

would make clear the potential hazarda. In spite of losing the appeal, protective measures were agreed upon to preserve the Town from unnecessary dangers of flood.

Typical of lack of vigilance was seen in South Peterborough when, during early spring, a considerable area along the river was stripped of trees and ground cover. Little notice was taken of this until too late to obtain appropriate action from state authorities to preserve the area.

As a result of the adoption of "Planned Unit Development" in the Town Zoning Ordinance, a developer this summer proposed to construct 104 dwelling units on 35 acres in a project of 140 acres. Though 53 acres of open space were allowed for, the 189 drilled wells and the 189 septic tanks would have been objectionable under the existing soil conditions, as shown by a study of the official soil map of the area.

Under the plan for the improvement and widening of Route 202 the well known group of white birches near the North Peterborough bridge would have been destroyed. The commission showed that they could be saved by a more considerate engineering layout.

The commission has been offered this fall by Mrs. Ernest Jacoby, 1/2 acre of land between the Contoocook River in South Peterborough and Route 202. This is a welcome first instance of a "green strip" in the Town.

How necessary the need for constant awareness of our natural assets was again emphasized by the discovery of the reworking of the gravel pit west of the Town's North Well and the piling of stumps upon the adjoining wetlands. Without this timely opportunity to seek counsel, continued excavation, unnoticed, could have gone beyond the now specified safe limits for the protection of the extraordinarily abundant water resource of the well.

Early in November the commission was notified through State channels that the New England Regional Commission had selected in its recent inventory of "Natural Areas of New England" eleven of the seventeen such areas within the Township of Peterborough reported upon by the commission over a year ago. The commission is now asked to study intensively each of these areas, to record the fauna and flora and other significant features, and to recommend appropriate actions for their preservation.

With a clearer idea for the need of a Master Plan leading from John Lord's study, all town authorities backed the circulation of a Questionnaire in the form of an individual attitude study, resulting in an expression by the Town's people of those satisfying or un-

desirable aspects of living in Peterborough. Of note is a significant appreciation of the Town's natural resources, its scenic and historic sites, open spaces, and opportunities for recreation. All of which is an endorsement for the intensive conservation and growth of our assets.

RECREATION COMMITTEE REPORT

To the Board of Selectmen

Gentlemen:

Community Recreation offerings in 1972 were regretfully overshadowed by the departure of Russell Bardwell, Peterborough's Recreation Director since 1967. Mr. Bardwell, who established many varied recreational offerings during his tenure here, was our first full-time Director of Community Recreation Services.

In his six years here, Mr. Bardwell gave a great deal to Peterborough and this past year was no exception. Some of the many recreational programs that he sponsored in 1972 were: ice skating, recreational bowling, athletic as well as aesthetic field trips, youth hockey, dancing lessons, women's softball, as well as other special youth and adult instructional offerings. Furthermore, Mr. Bardwell was again at his best working in conjunction with our Recreation Advisory Committee in this year's Variety Show.

In regard to summer programming at Adams Playground it is important to know that Russell Bardwell operated his department on an austerity budget, forcing him and the Recreation Committee to eventually expend for an eight week summer program in contrast to the traditional ten. However, the Recreation Committee is hopeful of renewing their ten week summer park program in 1973.

Highlighted by Peterborough's Knights of Columbus In-

vitational Swimming Meet, which marked the latter's 7th annual sponsored program, the eight week summer session featured enough varied recreational activities to meet everyone's need.

In cooperation with our Selectmen, Superintendent of Public Works, and the Recreation Committee, Russell Bardwell initiated renovations for Adams Playground's four tennis courts. These renovations were tied in with the Department of Resource and Economic Development of Concord, New Hampshire, for the purpose of securing federally funded matching funds. In addition, the Recreation Department was the first to take advantage of engineering facilities now being offered through the Public Works Department. The Recreation Department saved $3,600.00 by working in conjunction with Mr. John Isham's new engineering offering relevant to the tennis renovations — Project #33-00067 — Adams Playground.

Most sincerely, the Recreation Committee wishes Russell Bardwell every success in his new position at Amherst, Massachusetts.

Selecting from more than eighty candidates, Peterborough's Recreation Committee appointed Roland "Beaver" Jutras to be its new Community Recreation Director. Mr. Jutras's first major task, since coming here in October, was to correlate pertinent information relevant to the Tennis Courts renovations project. His purpose here was to extract over $17,000.00 in Federal Government matching funds. Mr. Jutras, who holds a Master's Degree from Springfield College in Community Outdoor Recreation has also found time, despite his continuance at learning more about our Town, to provide various recreation programs for local residents. "If I have been contributive to Peterborough at this point," he says, "it is only due to the overwhelming and grateful cooperation I have received from fellow residents as well as other department heads."

Moreover, this year's Hunter-Safety program, Halloween and Christmas Parties, as well as 1972's pre-Christmas Swap Shop were coordinated by Mr. Jutras. Through the cooperation of Mr. William Russell of the Community Theatre, in conjunction with our Department of Community Recreation, matinees were returned to Peterborough for the first time in six years. This too was part of Mr. Jutras's Christmas Party offering. Additionally, and despite his short time here, Mr. Jutras has effectively promoted an overall community ice skating program whereby free ice skating lessons, ice hockey as well as general public skating have been accessible to all.

Though adult and youth basketball programs have also been successfully organized, Mr. Jutras is expressing no less concern with

planning programs for the elderly and adult women. For example, a Communications program for the elderly is now being planned by our department in cooperation with Mrs. Kathleen Taylor, Librarian, at Peterborough's Public Library. Adult offerings in cake-decorating, women's fun and fitness, ceramics, etc. are programs which are also being readied by our department.

Finally we are pleased to announce that our new director can be heard weekly on Radio Station WSCV. This is being done to keep everyone informed regarding local developments in Community Recreation.

The Recreation Committee would like to close by citing its belief that the hours which make us happy usually make us wise!

Respectfully submitted,

Floyd Wakefield, Chairman
Gordon Kemp
Edward Lithgow
Steve Gorski
Roger Whitcomb
